Authority and Reference: Pursuant to the authority vested by Sections 3025, 3075, 3152, and 3152.5 of the Business and Professions Code, and to implement, interpret or make specific Sections 3025, 3075, 3152, and 3152.5 of said Code, the Board is considering changes to Division 15 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW:

Amend section 1524.

Business and Professions Code section 3152 authorizes the board to set the fees for the following: biennial renewal of a certificate of registration as an optometrist; delinquency fee for failing to renew a certificate of registration; application and renewal fees for a branch office license; application and renewal fee for failure to renew a fictitious name permit; application fee for a statement of licensure; application fee for a certificate to use therapeutic pharmaceutical agents.

The proposed regulations would increase the fees mentioned above and establish the fees for the following: delinquency fee for failure to renew a fictitious name permit timely; renewal and penalty fee for failure to renew a statement of licensure timely; application fee for approval of a continuing education course; application fee for a certificate to treat primary open angle glaucoma; and application fee for a certificate to perform lacrimal irrigation and dilation.

FISCAL IMPACT ESTIMATES:

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: Estimated to increase board revenues for fiscal year 08/09 by approximately \$538,870.00.

Non-discretionary Cost/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None

Business Impact:

The Board of Optometry has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

AND

The following studies/relevant data were relied upon in making the above determination:
None

Impact on Jobs/New Businesses:

The Board of Optometry has determined that this regulatory proposal will not have a significant impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The cost impact that a representative private person or business would necessarily incur in reasonable compliance with the proposed action and that are known to the Board to be minor to significant based on their current licensing status and the application, renewal and delinquent fees scheduled to be paid by licensees and non-licensees. Delinquencies are to be paid by licensees.

The last fee increase was implemented in 1993. In 1997, the Board implemented a shift from an annual to a biennial renewal cycle, which set the renewal fee at \$300. The fee has not changed since then.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS:

The proposed regulations would have an affect on licensees who are registered with the Board with a fictitious name permit or have applied for a branch office license.

CONSIDERATION OF ALTERNATIVES:

The Board of Optometry must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this notice.

Any interested person may present written statements relevant to the above determinations to the Board of Optometry at the address referred to below.
